FROM:

Allen R. Elkins
Director of Finance

SUBJECT:

Legislative Program for the Second Session
of the Ninety-Eighth Congress

We have only one possibility for legislation that could be considered for inclusion in the FY 1985 Authorization Bill or for separate legislation. The provisions of PL 97-269, approved September 27, 1982, (Granting former spouses certain rights to share retirement benefit) has no explicit provision for the entitlements of a former spouse on the occasion of a death in service of an Agency employee prior to retirement. Such provision is included in the Foreign Service Act of 1980 (USC 22 Section 4049). We are currently conducting discussions with representatives of the Office of Personnel [redacted] and Office of General Counsel (Ms. [redacted]) on this subject.
